Acceptance of this donation will enable the District to purchase mobile data computers for our command vehicles. The mobile data computers, linked to the AVL system, will provide the incident commander with on line access to locate and manage resources from the command vehicle while on scene.

Implementation of Strategic Plan Goals

This recommendation is consistent with the County's Strategic Plan Goal #1, Operational Effectiveness, and Goal #5, Public Safety, by utilizing the mobile data computers to enhance the District's ability to provide emergency services, thereby supporting our public safety mission.

FISCAL IMPACT / FINANCING

With your Board's approval of the attached Appropriation Adjustment, an increase of \$23,000 in services and supplies will be available in the District's Executive Budget Unit to purchase the mobile data computers for our command vehicles. Installation costs will be funded through the District's existing budget. There is no impact on net County cost.

FACTS AND PROVISION / LEGAL REQUIREMENTS

Section 2.4.2 of the County Fiscal Manual authorizes the District to accept donations valued over \$10,000 with Board approval.

IMPACT ON CURRENT SERVICES

Approval of the recommended actions will expand the quality and productivity of the District's emergency operations.
